

Executive Director

Executive Director position is open for a business incubation and accelerator firm in Wichita, Kansas. The Executive Director is responsible for creating and maintaining a business incubation system that provides value-added services for the creation, development and growth of new business.

Key responsibilities include but are not limited to:

- Development of company selection criteria, programming content and business assistance resources.
- Marketing the program to local entrepreneurs, companies, associations and other service providers to identify prospective clients.
- Managing and expanding a network of business, technical and financial consultants and resources required by budding entrepreneurs.
- Identifying and securing necessary facilities and financial resources for long-term sustainability of the organization.

The successful candidate will possess the following requirements:

- Minimum 3 years of experience in a similar position at comparable accelerator/incubator firms preferably from program concept to successful operations.
- Technical/scientific background or experience.
- Previous entrepreneurial experience including start-up, market validation, fund raising and operations.
- Experience working in a collaborative environment and/or public-private partnerships.
- Independent thinker with proven leadership skills.

The Executive Director position offers a competitive salary commensurate with experience as well as incentive pay, equity participation and applicable benefits.
